

Fair Oak Schools Local Park & Stride

Advantages of Park and Stride:

- Just a short walk on safe routes to the Fair Oak Schools campus.
- Fresh air, exercise and fun for you and your children - a great start or end to a day of learning and may help improve your child's performance at school.
- A safe place to park - no need to turn up early to "reserve" a parking space, no worries about finding a safe place to park on the road.
- Be a good neighbour - do your bit to cut traffic congestion, pollution and parking hassles, and help make travel to school happier and safer for everyone.
